ID-13, Supplement I - Sino-Soviet Bloc Exports of Machinery and Transport Equipment to the Free World, 1952-54.

MDAC (Mr. Tilson) suggests adding to ID-13, Supplement I the following:

- 1) A comparison of imports of machinery and transport equipment by the Soviet Bloc from the West for the same period and the same items as included in ID-13, Suppl. I.
- 2) An evaluation of the above imports and exports.

9 Sept 55. [REDACTED] suggested that the above could be entertained as a new request on EDIC.
